

Dentec Safety® N95 Half Mask Respirator

General Description:

- Extra large inhalation ports allow easier breathing
- Wide interior flange forms a gentle seal that conforms to a wide variety of faces
- Close fitting design and exclusive corrugated exhalation valve eliminate "dead air" space to enhance worker comfort
- Sits low on the face to accommodate eye and face PPE
- Textured inner surface prevents slipping
- Sizes: S/M, L/XL
- NIOSH approved
