NSI PowerShell® II

Item Number: 93005

4-Point Ratchet Suspension Full Brim Hard Hat

General Description:

- Lightweight yet rugged high-density polyethylene construction provides excellent protection and comfortable wear
- Comfortable 4-point suspension with vertical height adjustment assures a personal, secure fit
- Moisture-wicking polyester brow pad helps keep sweat out of wearer's face
- Design offers added protection against rain, sun, and snow
- Includes Flex-Gear® ratchet suspension that bends at flex points to conform to the worker's head for added comfort

Applications	
• General Industry	• Manufacturing
• Construction	• High-Risk Environments
